

United Way of Lake County's 16th annual Day of Caring Wednesday, June 18, 2008

We invite you to mark your calendars with this important date & organize a group of friends and/or colleagues to adopt one or more projects!

How does Day of Caring work?

All non-profit agencies in Lake County have been invited to submit one or more projects that can be accomplished in one day. All project information is due to United Way **on or before May 9th**.

Projects may be large or small, involving large groups or as few as two people. Volunteers might landscape, paint, build and/or clean *OR* provide social activities such as an outing for nursing home residents, an ice cream social with entertainment for seniors, carnival for kids, or picnic for members of a parenting support group.

Volunteers from local businesses, service organizations, faith communities, schools and Lake County residents offer energy & skills to complete these projects.

Great benefits for companies & individuals!

Corporate “team building” opportunities ♦ See immediate results ♦ Develop group work skills
Develop camaraderie and friendly competition ♦ Give back to the community in a tangible way

Please respond right away to receive further information!
Contact Anne Doyle @ adoyle@uwlc.org or (440) 639-1153 for details.

Grateful thanks to our **Day of Caring** Sponsor:

Day Of Caring

Volunteers! Save the Date!
